

About KEMP Hospice

A heartfelt thank you for choosing to fundraise for KEMP Hospice! By supporting our cause, you're not just raising money - you're helping bring comfort, care, and joy to individuals and families at a time when they need it most.

For over 50 years, KEMP Hospice has been a vital support system for those facing life-limiting illnesses in the Wyre Forest and surrounding areas. We provide free, specialist end-of-life care to adults with terminal diagnoses, offering our services in patients' homes, at our day hospice, and even virtually. Our care extends beyond just the patients, reaching out to their families and caregivers, ensuring no one faces these challenges alone.

KEMP is also deeply committed to supporting those through grief, providing bereavement care for both adults and children, regardless of their connection to the hospice.

The funds you raise will directly support our vital work, ensuring that patients, families, and carers in the Wyre Forest continue to receive the compassionate care they deserve.

Thank you again for being a part of this incredible journey - your efforts truly make a difference.
